LEARNERS PERMIT

PROGRAM CONTENT

This course is designed to assist people who may experience difficulty in obtaining their learner's permit. The aim is to support the learner through the study process, reinforce learning with mock tests, acquaint the student with the online environment. The course will also assist the students who may have difficulties completing the administration requirements to gain a learner's permit. The course will increase various employability skills such as reading writing, communication and basic computer skills

PATHWAYS

This program can lead successfully gaining their learners permit and starting their driving journey along with further study and employment opportunities
